RE: Freedom of Information/Privacy Act Request No. 2011USMS16419

Dear Mr. Smathers:

The United States Marshals Service (USMS) is providing a supplemental response to your request for records concerning cases where a FOIA request is made by a fugitive to any federal agency and the information (such as the address) provided with the FOIA request is used by the USMS to make an arrest. The USMS received further communication from you, sent by email dated December 4, 2010, clarifying your request. In that communication, you state that your request is for records concerning cases where a FOIA request is made by a fugitive and the particular agency (other than USMS) in receipt of the request provides the information to the USMS for arrest of the fugitive.

We consulted with the USMS Headquarter's Investigative Operations Division (IOD) for records responsive to your request. According to IOD, the information you request is not tracked, and the office has no knowledge of an arrest ever occurring by such means. Thus, the USMS has no records responsive to your request.

If you are dissatisfied with my action on this request, you may appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001. Your appeal must be received within

60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information/ Privacy Act Appeal." In the event you are dissatisfied with the results of any such appeal, judicial review will thereafter be available to you in the United States District Court for the judicial district in which you reside or have your principal place of business, or in the District of Columbia.

Sincerely,

William E. Bordley
